Club Vela Sant Antoni de Calonge  
Patin a Vela Senior and Junior  
Race and Freestyle

Dear friends,

On the weekend of the 10-11th of December a memorable party will take place. We are celebrating the 10th Anniversary of the sailing patin International Guido Depoorter Cup in Sant Antoni's bay.

For the members of the Club Vela Sant Antoni it has been a fantastic experience to enjoy the company, friendship and good vibes of everyone who has joined us over the last ten years.

All together we managed to organise a great race, with a significant participation and a prominent sporting and human level.

Guido has always taught us, besides patin sailing, that sportsmanship and team collaboration always comes first in and out of the water. This race is our way to thank him, even if it is only a little bit, for all his life lessons.

It is therefore a great satisfaction to invite you to this event that we will certainly all enjoy. We will have surprises and gifts for everyone and a good, friendly atmosphere. We look forward to welcoming you personally, and take the opportunity to send you our best wishes
