

Dear patinaire friends;

Once again on December the 6th, 8th and 10th, we are holding the 12th edition of the International Guido Depoorter Cup. It is a great honour to simultaneously hold the International adipav Cup.

We'd like to thank the ADIPAV, with its president support, Anna Pujol, for giving us the opportunity to one of the most important races in our class. We hope to count on a wide representation of the patinaire fleet and enjoy the Costa Brava's sea and wind.

From the Club Vela Sant Antoni we are working with equal excitement as if it was the first important race we were holding, but with the experience that 46 years of history give us. It is an honour to add to the list the organization of the International Adipav Cup.

This year is a special one for us, for the ADIPAV awarded our Club with a nameplate, in recognition of the sportsmanship and the promotion of the Patí Català, the essential respect to the race's regulations, the exemplary philosophy in sailing and the relevant training of new promotions. We want to thank this recognition organizing a great race, we hope the wind will be with through the 3 races days.

Warm hugs and see you soon, the date is coming.
