

I Dear *patinaire*
friends;

Again and after a very long and uncertain period where the Covid-19 has put us in a limit situation as a society, on December 11th and 12th the *patinaires* will be able to meet again at the last appointment of the regatta calendar celebrating the fourteenth edition of the International Guido Depoorter Cup.

We hope to have a wide representation of the *patinaire* fleet and to enjoy the Costa Brava sea and wind.

At the gates of the celebration of our Club's 50th anniversary, scheduled for next year, we are preparing this edition of the Guido Depoorter Cup with the same enthusiasm as always and this year with the expected return of normality.

After the success of the previous editions, we hope that this regatta will have a great acceptance among the *patinaires*.

A warm hug and see you soon, for the date is near
