## **Introduction**

50 years!!

This year for the Club Vela Sant Antoni is very special. We celebrate 50 years!!

And we believe that the best way to celebrate it is by organizing the 20th European Cup together with the 15th edition of the Guido Depoorter's Cup.

The Bay of Calonge and Sant Antoni is a paradise for sailing, two world-renowned regattas are held annually, the Christmas Race and the International Palamós Optimist Trophy.

Throughout the 50 years of our history, Patin have become part of the usual image of the bay.

From Club Vela Sant Antoni, with the invaluable help of the Calonge-Sant Antoni Town Council, we are working in the organization of both, 20th European and Guido Depoorter Cups, for months. We are dimensioning the necessary resources to guarantee an excellent organization both at sea and in land. We expect a great attendance from the entire Patin fleet of any origin. We hope you can enjoy the Costa Brava's Sea and wind. You all, will be extremely well received.

We are a small Club, but this time, we are going to make a huge event!!

We look forward to see you soon.

Daniel Juscafresa

President of the Club Vela Sant Antoni.

## **Dates**

We announce that the 20th edition of the Senior European Cup for Patin a Vela along with the 15th edition of the International Guido Depoorter's Cup for October 29<sup>th</sup>, 30<sup>th</sup>, 31<sup>st</sup> and November 1<sup>st</sup>, 2022.

## **Registrations**

## **Races**

Two races per day of competition are planned.

The results of the first four races disputed, will constitute the classification of the 15th edition of the International Guido Depoorter's Cup and the result of all the regattas disputed throughout the four days of competition, will constitute the classification of the 20th European Cup of Patin Senior Sailing, with differentiated trophies for both competitions.

As usual, the Freestyle competition will also be held.

## **Changing room and parking area**

We expect a great participation of patins. For this reason, we have agreed with the Calonge-Sant Antoni City Council to use the Sports Pavilion during the days of the competition as changing rooms and a parking area next to it for both, cars and trailers, where they should remain, once the patin has been unloaded in the boat yard.
